

# I Believe That We Will Win (World Anthem)

You know what spreads faster than any virus  
Is fear  
Now when it comes to fear you can either  
Forget everything and run  
I said I (I)  
Or you can face everything and rise  
I believe (I believe)  
And let me tell you what I believe

I believe that (I believe that)  
I believe we gonna face everything and rise  
I believe that we will win (I believe that we will win)  
I believe that we will win (say it)  
I believe that we will win  
I believe that we will win (say it)  
I believe that we will win  
I believe that we will win (say it)  
I believe that we will win  
I believe that we will win (say it)  
I believe that we will win (woo!)

It's not how you fall (hell nah)  
It's how you get back up  
And what don't kill us make us stronger  
Boy, I bet that up  
Take a swing at us  
You better hit hard  
'Cause when we swing back (bing bang)  
It's like, "Oh God" (oh God)

It's time to knuckle up (knuckle up)  
And fight hard (fight hard)  
Now let's all buckle up (buckle up)  
And fight hard (fight hard)

Que Dios bendiga a toda tu familia mi amigo  
De parte Armandito vamos a darle duro a este virus

I said I, say it with me (I)  
I believe, say it with me (I believe)  
I believe that, say it with me (I believe that)  
I believe that we will win  
Let me hear you say (I believe that we will win)

I believe that we will win (say it)  
I believe that we will win  
I believe that we will win (say it)  
I believe that we will win  
I believe that we will win (say it)  
I believe that we will win  
I believe that we will win (say it)  
I believe that we will win (woo)

We could lose the battle  
But we gon' win the war  
I'm from the bottom, I'm that uncut real raw  
When things get tough  
That's when we show up  
That's when we show out  
That's when we show you all (305)

It's time to knuckle up (knuckle up)  
And fight hard (fight hard)  
Now let's all buckle up (buckle up)  
And fight hard (fight hard)

Que Dios bendiga a toda tu familia mi amigo  
De parte Armandito vamos a darle duro a este virus

I said I, say it with me (I)  
I believe, say it with me (I believe)  
I believe that, say it with me (I believe that)  
I believe that we will win  
Let me hear you say (I believe that we will win)

I believe that we will win (say it)  
I believe that we will win  
I believe that we will win (say it)  
I believe that we will win  
I believe that we will win (say it)  
I believe that we will win  
I believe that we will win (say it)  
I believe that we will win  
Bottom line  
No matter what  
Face everything and rise
