In this event, parents will have an opportunity to see and learn about signs and clues – and possible things to look for - that might indicate a young person is using drugs, alcohol or tobacco products. We'll have a 'tour' of a teen bedroom, learn about different 'hideables', and hear from teens, APS staff, and an SRO about what they are seeing among young people in our community.

**Thursday, January 14th , 2021 from 6:30 – 8:00 pm**
